**THE ORLANDO LAW GROUP ANNOUNCES OPENING
OF NEW OFFICE IN WATERFORD LAKES**

Law firm to host open house for third office in December

Orlando, Florida, October 26, 2015 – The Orlando Law Group (OLG) is pleased to announce the official grand opening of its third location, having recently opened an office on the corner of Lake Underhill Road and Alafaya Trail in Waterford Lakes. To be held December 3, the grand opening will include a ribbon cutting ceremony and an open house for the community.

Since its founding six years ago, OLG has grown to a team of seven attorneys and has become known for delivering results and advice in a professional, warm atmosphere that sets clients at ease. The growth that has come with that reputation was the impetus for the opening of a new location.

“So much of the success that we have experienced has been a result of our commitment to put people first,” explained OLG founder Jennifer Englert. “This new office reflects that as it better meets the needs of our people – its location is more centrally located in East Orlando and it is a little larger to accommodate the growing needs of our client base.”

Located at 12301 Lake Underhill Road, the new location is conveniently situated near 408 and 417.

“We look forward to rolling up our sleeves and becoming a part of a new community,” Englert said, reflecting the firm’s commitment to serving the communities in which its employees live and work. At their other locations, lawyers and staffers at OLG are frequently found donating their time and money to local causes. This new office will continue in that tradition.

“We are very pleased to welcome The Orlando Law Group to Waterford Lakes,” said Stephanie Larret, President of the East Orlando Chamber of Commerce. “I am truly grateful for the civic spirit and service they will bring to our community.”

The firm will host a grand opening ribbon-cutting ceremony to officially open its new home on December 3 from 5:30 to 7:30. The community is invited to join in the celebration and meet the attorneys at 12301 Lake Underhill Rd, #213 in Orlando. The festivities will include food from local vendors and raffles.
